SUSTAINABLE SOLUTIONS FOR A BETTER TOMORROW

OUR COMPANY

At EarthSavers Express, we are committed to providing reliable, eco-friendly disposable packaging solutions for restaurants, food businesses, catering companies, and everyday commercial needs. Based in Woodbridge, Virginia, we specialize in high-quality compostable and disposable products designed to help businesses reduce costs while supporting a cleaner environment.

OUR MISSION

Our mission is simple — deliver durable, food-safe, and sustainable products that perform in real-world, high-volume service without compromising quality. From bagasse containers and heavy-duty plates to cups, cutlery, bags, and to-go packaging, we help businesses operate smarter and greener.

OUR VISION

We believe sustainability should be affordable, practical, and accessible for every business.
